Dear Ms. Dixon:

Re: Yucca Mountain

1

[For the past 20 years I have been attending the hearings about waste storage at Yucca Mountain. I am convinced that the DOE should become a bystander while an assortment of governmental and corporate representatives as well as a large cross-section of the citizenry discuss and come to an agreement about the best way to store this terrible waste.]

Sincerely,

A handwritten signature in black ink, appearing to be 'ET', with a long, sweeping horizontal line extending to the right.
